

Directions to Rododafni Villas and Apartments from Paphos airport

Traveling from Paphos airport. Follow the signs to Paphos town. You will after about mile join the main Paphos / Limassol road. Turn **left** towards Paphos town and stay on this road until you arrive at the first large traffic Island.

There is also a large Football Stadium directly opposite this island and a large Woolworth store on your right. **TURN LEFT** at this island down towards the sea. Keep on this road, which is a dual carriageway, for as far you can.

At the T junction (large hotel in front of you) **turn right along the coast road**. You will eventually have the sea directly to your left. You will now come at a T junction and you will see the harbour to your left. **TURN RIGHT** and travel for about ½ mile to the first set of traffic lights. **TURN LEFT** (Tomb of the Kings Road) following signs to Coral Bay and the Tombs of the Kings. You are now on the road indicated by the map opposite. If you get lost at anytime ask directions to the Tombs of the Kings.

After you pass the Tombs of the Kings and most of the built up area you will pass the Venus Beach Hotel on the left and a little further, on the right, a large sign IKARIA VILLAGE. You are now close to the turn off down to Rododafni Villas and Apartments. Look for **PARISH HALL** on the left with a road junction immediately

next to it. (The Pentaras Restaurant is just passed this junction). There are several sign posts one mentions **DIMMA PUB** and the other mentions **RODODAFNI APARTMENTS (The owners of villas Rododafni and owners office)**. Turn down this road (towards the sea) for a short distance to where the road forks, take the **RIGHT FORK**, pass a small block of apartments on your left. The road will bear round to the left and Rododafni Villas and Apartments will be on your right.
